Re: Filing revisions of individual deficiencies in my March 13, 2007 Reply to the United States Patent and Trademark Office Action mailed on December 13, 2006 being non-compliant with the Revised Amendment Practice: 37 C.F.R. 1.121 (b) Mandatory Changed Compliance effective as of July 30, 2003 and the Substance of the Interview on June 7, 2007 along with the Examiner's Interview Summary mailed on June 22, 2007.

Sir:

This reply is In response to the Office Action by the United States Patent and Trademark Office mailed on June 14, 2006 indicating that my March 13, 2007 reply was not fully compliant to the prior Notice of Informal or Non-Responsive Amendment due to several omissions. Relative to the actual listing of ALL of the Claims in ascending numerical order, claims indicated as canceled have been aggregated into one statement (e.g. Claims 1-31 (canceled)). The previously presented claims have been listed and the currently amended claims have now been submitted showing ONLY the amendments correcting the non-compliance as required by the Office Action mailed on December 13, 2006 in my Reply submitted on March 13, 2007 and NOT also including the amendments as previously submitted in my May 30, 2006 Reply to the Office Action mailed on May 2, 2006, as per the stated direction of the United States Patent and Trademark Office during the June 7, 2007 Telephonic Interview by Examiner Ms. Ella Colbert. Also, my understanding of the substance of this interview is included in the **SUBSTANCE OF THE INTERVIEW** section following the full listing of all of the claims with their appropriate Status Identifiers included in the **IN THE CLAIMS** section.
